## THE DOWNTOWN RALEIGH HOME SHOW RETURNS JANUARY 24-26, 2020!

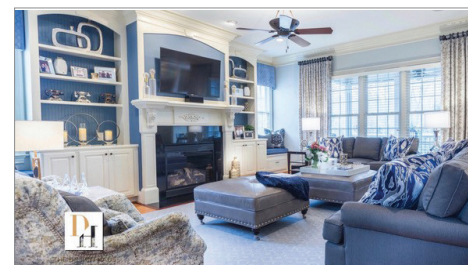

Just in time to keep up with those home improvement resolutions for 2020, the Raleigh Home Show returns to downtown's Raleigh Convention Center January 24-26 with a jam-packed roster of events geared to help spruce up interior design for Triangle residents.

The highly anticipated annual consumer show will fill the facility with home improvement ideas, DIY and interactive seminars and the hottest new products.

## YOU'VE GOT TO SEE *this!*

### Designer Rooms Curated by The Design Häüs

Show guests can visit with a team of designers while touring fully furnished designer rooms curated by The Design Häüs. The designer rooms are full of the latest and greatest furniture, decor and design trends that will give your home the up-to-date look it deserves. Guests can bring photos for a quick on-the-spot design consultation. The designer showrooms are located at the end of aisle 100.

### Outdoor Eye Candy

The weather might not feel like it yet, but spring and outdoor living season are just around the corner. The show is the perfect place to get ideas for outdoor living and landscape features designed so that guests can step right outside the back door and into a year-round escape. **Luxury Living Scapes** showcase the latest in outdoor hardscapes, furniture, water gardens, outdoor kitchens and more. Located in booth 1301.

### Ask The Experts Workshop

All those potential home improvement projects for 2020 come with a lot of questions attached. New this year, the downtown show is offering up the **Ask The Experts Workshop** - a handpicked panel of experts in home buying, remodeling, interior design and more. Get advice directly from these pros at interactive workshops throughout the show. Sponsored by Mitchell Heating & Cooling. Located in booth 106.
